

Honeywell Schools

May 2011

Dear Infant Parents

OPPORTUNITY FOR YOUR CHILD TO DESIGN THEIR OWN GREETING CARD AND RAISE MONEY FOR THE SCHOOL !

Why not get your child to create some fab artwork over the half term break and have it accurately reproduced onto high quality greeting cards? Your child's name will be printed onto the back of the card and there is a choice of greeting inside the card. Orders can be made in packs of 12 at very reasonable prices, with delivery scheduled for end of June. The cards are size A6, can be portrait or landscape and include envelopes.

The artwork must be **A4**, with **no glitter** – and that's it – the rest is up to your child's imagination! Ideas could include a self-portrait, portrait of your family or pet, a big colourful 'thank you!' or 'hello!' or perhaps a collage of photos and doodles - but bear in mind the image will be reproduced quarter – sized, so keep any writing **big**.

If you would like to order your personalised greetings cards – and raise funds for the school – please return the A4 artwork (with completed order form taped onto reverse – in the orientation you want the image reproduced, ie; vertical or horizontal), with cash or **cheque payable to Honeywell Schools PTFA**, to your class rep by drop off on Friday 10th June (the first Friday following half term break).

Spare order forms will be left in the PTFA tray in the office.

Any queries, please contact me:
