Honeywell Schools

Donate to the PTFA with Just Giving

This year's fundraising goal is to completely revamp the reading areas in each of the classrooms, and we are aiming to raise enough money to spend £2000 in each classroom on books and reading areas.

We have recently set up the facility to make direct donations to the PTFA through Just Giving. This method can be really convenient for grandparents or far-flung family and friends, or even parents who find baking cakes is not their preferred method of donation, or would prefer to make their donation anonymously.

Donations can be made by monthly direct debit or credit card and all donations from UK taxpayers are automatically topped up with Gift Aid, increasing the value of the donation. Follow the link to Honeywell PTFA's Just Giving page:

Donate Books Directly to the Schools

There is a box in the school office for the collection of unwanted NEW books, and the schools have also created book wishlists on Amazon UK. You can simply add a book to your basket when shopping on Amazon. [Click here](#) for more details.
